New Classroom Technology

LYNN UNIVERSITY

1

Screen 1
(Professor's monitor and Computer)
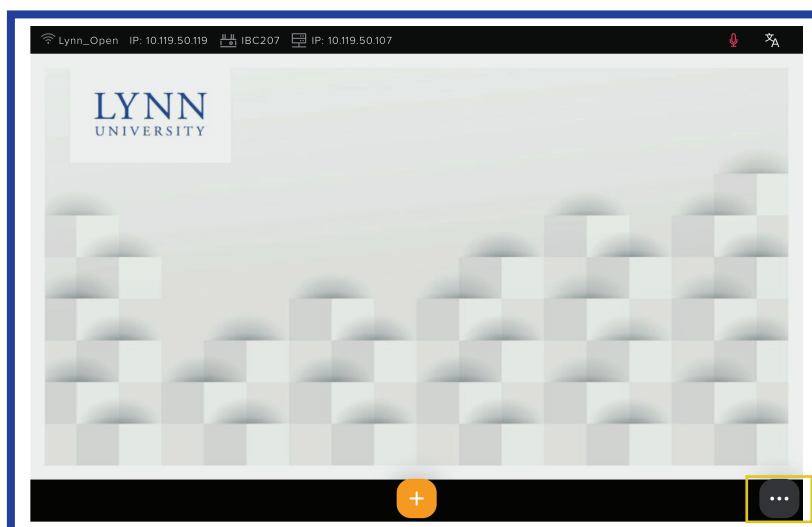

Screen 2
(Touch Live Screen)

- Screen 1 on the left is all in one computer, you can use it to sign in, sign out, and open any preferred files. Students will not be able to see what is on screen 1

## 2

- Tap on Screen 2 to activate the screen
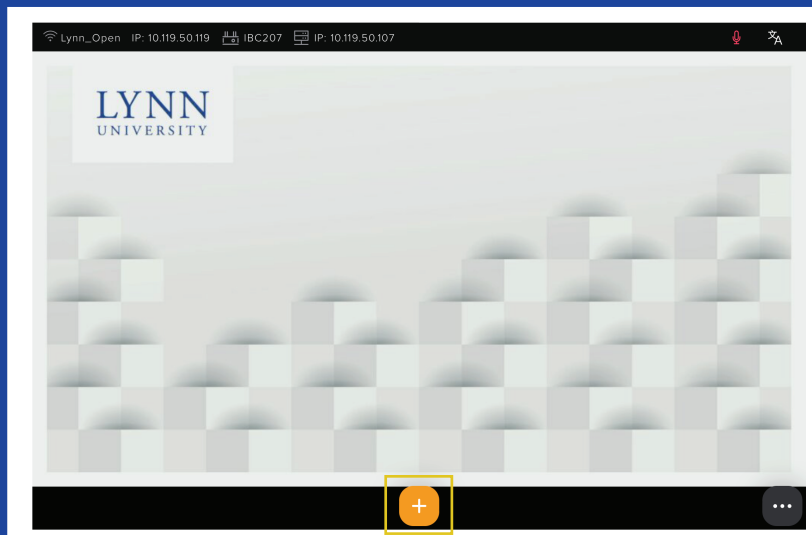

3

- On the bottom right corner select the more options icon

4

- Select Projector on button at the bottom center of your screen
- Once projector is on, select the close button on the right side of your screen

5

- At the bottom center of your screen, select the orange plus icon
6

- On the bottom left of your screen, select the PC Desktop icon

7

- For more options select the arrow on the bottom left of the window you are currently using

8

- Now you can control your volume, make this window full screen, or close this window (These options can apply while using any other systems)
- To use the Whiteboard, select the orange plus icon

9

- On the bottom left of your screen, select the Whiteboard icon

- To Project the whiteboard, select the arrow on the bottom left corner of the whiteboard window

- Select the cast icon to make sure the whiteboard is projecting
- To have the whiteboard as full screen for your view, select the full screen icon on the bottom right of the whiteboard window
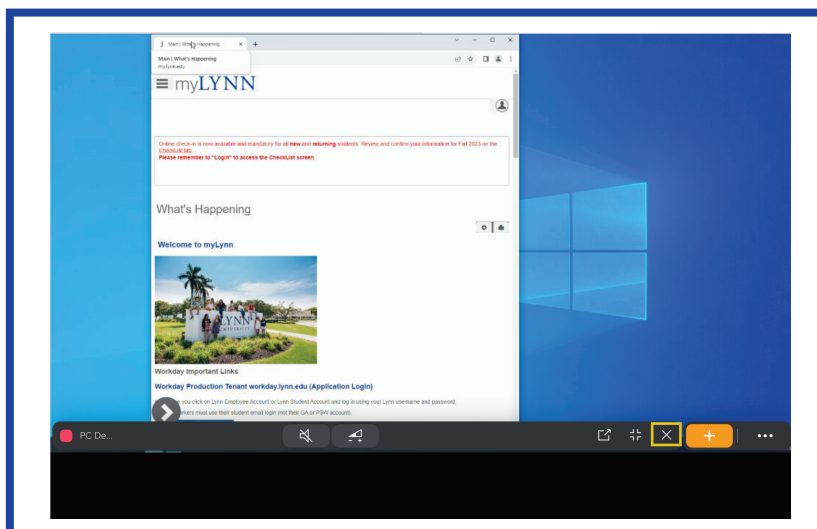

13

- After you are done using the whiteboard, select the X icon to close this window and stop projecting the whiteboard

14

- Since you had the PC Desktop Window still open, it will automatically be projected after closing the whiteboard, or using any other systems (like Mirroring)
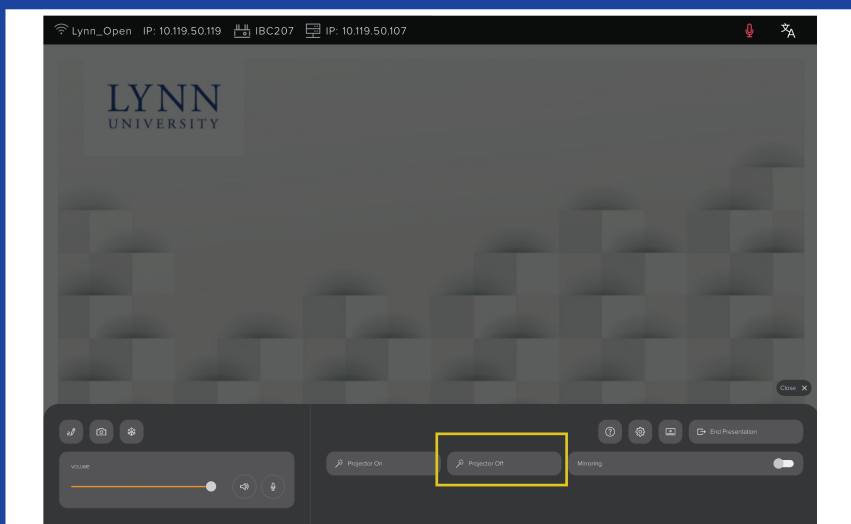

15

- You can drag and drop (using the computer mouse) from Screen 1 to Screen 2 any window you want to be projected for students.
- When you are done using the PC Desktop system, select the X icon on the bottom right of the PC window

16
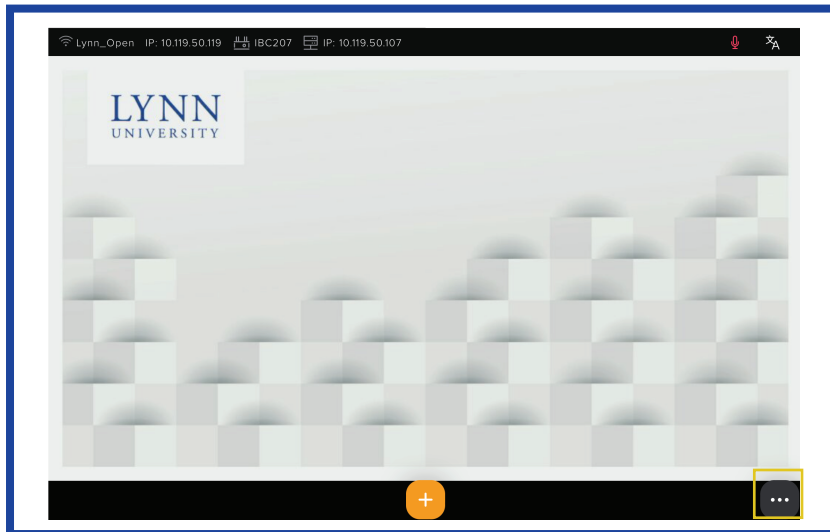

- Select the more options icon to turn off the projector

17

- Select Projrctor Off, then select the close icon on the right of the screen to get back to Homesceen

Additional Information

- Please **do *not forget to Sign out*** before you leave the classroom
- Please make sure that you closed all the windows you used on Screen 2, to cause less confusion for other professors
- If you are facing any problems using the new system, please CONTACT IT TEAM: 561-237-7979 – OPTION 7
