- [How to Record the Screen of Your iPad](#) PDF

Important Class-Related Resources

Registration

If you have not done so already, be sure to register early for the classes you wish to take at Lynn University.

- [How to Select Your Classes](#) PDF

Microsoft Office365

Lynn University has partnered with Microsoft to provide students with many of the popular Microsoft applications used for school and business. Using your Lynn University username and Password, you may install and activate many applications and services powered by Microsoft on up to five of your personal devices. These apps and services include Outlook, Word, Excel, PowerPoint, OneNote, OneDrive, Teams, and many more. Be sure to download and install the apps you use most. For your convenience, many of these apps have been installed on your Lynn University-provided iPad and only require you to log in using your Lynn University credentials.

- [Canvas Quick Start Guide](#) PDF
- [Best Practices for Taking an Online Course](#) PDF
- [How to Submit Your Video Assignments Via the Canvas App](#) video
- [How to Submit Your Video Assignments Via the Canvas Browser](#) video

Grammarly

Lynn University provides Grammarly Premium to all Lynn University Students. Communicate With Impact. Ensure Everything You Write Comes Across The Way You Intend. Present Your Best Self Every Time You Type. Make Your Writing Clear and Engaging. Easily improve any text. Eliminate grammar errors. Plagiarism Detection.

- [How to Create your Grammarly Account](#)

Web Conferencing

Lynn University has partnered with Zoom to host synchronous classes on a platform that is familiar to most students.

- Learn more about [Zoom Web Conferencing](#).

LockDown Browser

LockDown Browser® is a custom browser that locks down the testing environment within a learning management system. Lynn University has installed **LockDown Browser®** on your Lynn University-Provided iPad. If you wish to install **LockDown Browser®** on your personal device, please refer to the link below.

- [LockDown Browser Link for Personal Computers](#) for students and faculty

Cengage Unlimited

Cengage Unlimited includes access to eBooks, study tools, and courses led by an instructor and can be purchased using the instructions linked below.

- [Purchasing Cengage Unlimited and Adding Required Text/s to Your Dashboard](#) PDF

Multi-touch Books - Student Orientation

Many Lynn University courses utilize Multi-touch Books powered by Apple. Use the links below to learn more about Multi-touch Books at Lynn University.

- [How to Navigate Your iBook](#) video
- [iBooks Interactivity](#) video
- [Highlighting, Making Notes, and Study Cards](#) video
- [Accessing and Using the Glossary](#) video
- [Listening to Your iBook](#) video

Other Resources Available to Lynn University Students

Learn Another Language - Mango Language

Mango's *language*-learning methodology gives you the confidence to go a little further down that road less traveled. Use your Lynn University credentials to take advantage of all that Mango Languages has to offer.

- [Mango Languages](#) PDF for faculty
- [Mango Languages](#) PDF for students

Read a Newspaper

Using your Lynn University credentials, you can gain full access to the Wall Street Journal and The New York Times.

- [Stay Ahead - The Wall Street Journal - Sign In](#)
- [New York Times brought to you by Lynn University](#)

Competency-Based Education

- [What's Competency-Based Education?](#) video
- [What's Competency-Based Education?](#) animation

On-Campus Living

Adding a Smart TV, gaming console, or other devices to the network

While living on campus, you may want to connect your gaming console, your personal assistant, smart TV, or other internet-connected devices to the network. Use the guide linked below to get them online.

- [How To: Add your device to Lynn_Open](#)

Xfinity on Campus - XoC

Lynn University and Xfinity work together to bring all of your favorite channels to your room. Find instructions below for setting up your XoC account today.
