

Lynn University Account Setup (Students Only)

Welcome to Lynn! It is time to setup your Lynn account (Lynn students only) by entering the information from the Lynn University account email that you received. You can use your Lynn account to access information including your class schedule, financial aid documents, tuition payments, and grades. You can also use it to access many key University services such as email, Canvas, eBill, Workday, Navigate, eRezlife, Blueprint and more. If you have not received the email from Lynn University account you should contact your Admissions Counselor for more information.

Account Setup Steps

1. Find the admissions email (see image below) in your personal email inbox (the one you provided when applying to Lynn).

Below this, on the left, is an icon of a person with a plus sign. To the right of this icon, the text reads: "Please enter your ID Number provided in the Account Setup Email". A horizontal line separates this section from the one below. Below the line, the text "ID Number" is displayed above a text input field. Inside the input field, the text "Typically a number from 5-8 digits long" is visible. A blue arrow points to the input field. At the bottom of the page, there are two buttons: "Back" and "Next". A blue arrow points to the "Next" button.

3. Here you will need to enter the pincode and username provided on the email. Then click 'Next'

A screenshot of a web form titled "Please enter the following information". At the top left is a user icon with a plus sign. Below the title is a progress bar with seven numbered circles (1-7), where circle 1 is highlighted. The form contains two input fields: "Your pincode:" with the placeholder "Enter your pincode." and "Your username:" with the placeholder "Enter your username.". Below these fields are two buttons: "Back" and "Next". Blue arrows point to the input fields and the "Next" button.

4. This page requires you to enter a required personal email address and an optional mobile phone number in the US. This information will be stored in our automated password reset system. Then Click 'Next'

A screenshot of a web form titled "During the password reset you will be asked to enter a PIN code. Specify how you wish to receive the PIN code." At the top left is a pencil icon. Below the title is a progress bar with six numbered circles (1-6), where circle 2 is highlighted. The form contains two input fields: "Enter your personal e-mail address(Not Lynn)" and "Enter your preferred US mobile phone number". Above the first field is the text "***Required*** By personal e-mail:" and above the second field is the text "***Optional*** By US Mobile Phone Number: (*SMS Data Rates May Apply)". Below these fields are two buttons: "Back" and "Next". Blue arrows point to the input fields and the "Next" button.

5. The next two pages will look very similar and require you to select security questions and provide answers. This information will be stored in our self-service reset password management system(SSRPM) should you

need to reset your password in the future. Click 'Next' when you have filled out both pages.

Choose and answer a question. During the password reset you will have to answer this question again.
