

# Graduate: iPad User Agreement

## INTRODUCTION

This User Agreement is a legal document between you (the graduate student) and the owner (Lynn University) of the Apple iPad 10.2-inch tablet (iPad), and its accessories (Bluetooth Keyboard, Apple Power Adapter and Apple Lightning Cable) issued to you by Lynn University in connection with Lynn University's iPad Initiative. These items shall be referred to as "iPad and iPad accessories" throughout the remainder of this User Agreement. Carefully read the terms and conditions of this User Agreement, which govern your use of the iPad and the iPad accessories. By taking possession of the iPad and the iPad accessories you agree to be bound by the terms of this User Agreement and Fee Schedule.

## GRANT OF LICENSE

Lynn University grants you the right to use this University issued iPad pursuant to the terms of this User Agreement. This iPad should be used primarily for educational purposes. However, it is acceptable for you to use it for non-educational purposes as long as the non-educational purposes do not interfere with the educational purposes.

Lynn University prohibits you from opening or making internal modifications to the issued iPad. You can only install apps for which you have a valid and current license. You are permitted to install apps downloaded from the Apple App Store, only if these apps do not interfere with the academic purposes of the iPad. You shall not uninstall, erase, or delete any app or files that were originally installed with the issued iPad. In addition, location services shall not be turned off for any app originally installed with the issued iPad.

## LIABILITY

Upon the entrustment of the iPad into your care, you assume the responsibility for and liability of the iPad. During the term of this User Agreement, you are fully responsible for any theft of or physical damage to the iPad and the iPad accessories, and you may be held accountable for the replacement or repair of the iPad and the iPad accessories. You must take all appropriate steps to protect the iPad and data against loss or theft. If you lend the iPad to another person without prior permission, you will be held accountable and responsible for the replacement of the iPad and its accessories and may be subject to the forfeiture of the iPad, at the sole discretion of Lynn University. Failure to report the loss or stolen iPad to Lynn University Campus Safety Office within five (5) business days of its loss or theft will result in appropriate disciplinary action by Lynn University and a possible police investigation. Failure to return the iPad and iPad accessories to IT Support Services upon leaving Lynn University for any reason, prior to graduation, will lead to your academic record being placed on hold and will result in the value of the iPad being charged to your account.

Lynn University is not responsible for the loss or theft of any information or data you maintain on the iPad. You are responsible for keeping the iPad clean and in good condition while entrusted to you and upon its return to Lynn University. In addition, you agree to return this iPad and all accessories on the scheduled or arranged date of return and/or when return is required by terms of this User Agreement.
