

How To: Create a Lynn student Grammarly account

Creating Your Account

Grammarly makes you a better writer by finding and correcting grammar mistakes in the papers you write. Setting up a Grammarly account is easy.

1. Go to <https://www.grammarly.com/edu/signup>
2. Enter your name, Lynn email, and preferred password. Click "sign up".
3. Check your email (Inbox and spam) for an activation email.

Be sure you use your Lynn email when you set up an account.

Since Grammarly is an editor, it is not optimized to work on iPads. Use Grammarly in your Mac or PC.

Students can also receive writing assistance from the Writing Lab at the College of Arts & Sciences. English professors are available to help students in the writing process.
