

# Library Database Access Denied

Lynn University's library databases are licensed for current faculty, staff, or students and walk-in patrons. Unfortunately, our license agreements do not include alumni access. If you can come to campus, you can access the resources as a walk-in patron. Feel free to reach out to the [Lynn Library](#) if you have more questions.

Example of the license agreement:

"Authorized User(s)" are employees, students, registered patrons, walk-in patrons, or other persons affiliated with Licensee or otherwise permitted to use Licensee's facilities and authorized by Licensee to access Databases or Services. "Authorized User(s)" do not include alumni of the Licensee.
