

# Adobe Sign

## Description

Adobe Sign is a cloud-based, enterprise-class e-signature service that lets you replace paper and ink signature processes with fully automated electronic signature workflows. With it, you can easily send, sign, track, and manage signature processes using a browser or mobile device.

## Students

Adobe Sign access to create forms and documents is available to Lynn employed students per hiring manager request only.

## Faculty and Staff

Adobe Sign is available to staff per position and/or hiring manager request.
